

St. Peter Central Catholic Preschool

Learning through discovery, creativity and imagination

MISSION

We, the faith community of Saint Peter Central Catholic, provide a caring atmosphere for the students in Preschool through Grade Eight. Within our Catholic, diverse community, we strive to welcome, educate and acknowledge each individual. We nurture the intellectual curiosity and spirit of all. We are committed to treat all that we encounter with respect, love and mercy. We are called to be Disciples of Christ's love.

PURPOSE

The purpose of this program is to offer opportunities for each child to grow in a safe, nurturing and loving atmosphere that is trustworthy and respectful. Curriculum foundations stem from a dedication to develop the whole child spiritually, emotionally, physically, cognitively and socially. Each child is recognized as an individual with a different timetable for growing and learning. All children are encouraged to develop confidence, independent thinking, and independence in caring for himself/herself. In order to help each child grow to his/her fullest potential, the preschool strives to enrich the environment of the child so that he/she gains strength as he/she grows spiritually, emotionally, physically, cognitively and socially. The program is designed to benefit children age three to five years old, regardless of national origin, religion, sex, and disabilities.

PHILOSOPHY

Our program provides service to children and their families, regardless of sex, race, religion, cultural heritage, national origin, or disabilities. We are dedicated to building self-esteem, encouraging problem-solving, and developing creative opportunities that enhance the growth and development of each child. Process, but not perfection, is valued at our preschool. We understand that children learn through repeated experiences, socialization, play, and interactions with people and materials.

We encourage your participation, and would be happy to assist you in finding a way for you to be a part of our school community. Parent involvement is welcomed and encouraged. There are many opportunities for you to participate in the education of your child. We offer parent occupation days, and varied educational experiences.

Our program offers a balance of teacher-directed and child-initiated activities. A flexible schedule allows our teachers to meet the individual needs of each child. As we are aware that children grow at varying rates, opportunities are provided for social, physical, emotional, and cognitive development. Our teachers offer choices, encourage independence, and respect individuality in a caring nurturing environment, where children are respected and encouraged.

Your deposit is non-refundable** and must be returned to St. Peter Central Catholic within two weeks of the date of your child's acceptance letter to secure the seat. **For families returning to the preschool for a second year, a \$50.00 deposit will secure the seat.**

FINANCIAL POLICY

Tuition is figured as an annual fee. It may be paid in full at registration, or in ten equal monthly installments due on the first of each month, beginning in September and ending with June. Because tuition is an annual fee, no refunds are given for illness, vacation, or snow days. No accommodations are in place to make up such days.

It is very important that tuition be paid on time. In the event that tuition payments are late, parent(s) or guardians are given up to one month to make restitution. If the parents are unable to pay tuition due to extenuating circumstances, they may discuss this issue with the Headmaster.
