**Whopping Cough Update...**

We are recovering and taking all precautions recommended by the State Dept. of Public Health. We will keep you updated if there are any other developments. Please make sure that as always, you notify the school if your child is ill, or being tested for any medical issues. Thank you for your support.

**The Wall:** As many of you have noticed we repaired the brick wall by the gym entrance. After lots of hard work by Mr. Belcher, the very next day someone hit the wall and destroyed the whole corner. If you have any knowledge of what occurred, or can describe the vehicle please let us know. It's so frustrating to work so hard and then...  
Thank you!
