

SUMMER Vacation

June 15, 2017

School News/Reminders

Have a fun and safe summer!

Dear Parents and Guardians,

Another school year has come and gone! The days seem to move faster every year.

We have enjoyed being part of your child's educational journey. It is hard to imagine that there is a more challenging or rewarding profession than teaching.

We sent forty-two, eighth graders off to the schools of their choice. We are proud of their success at St. Peter's and know that they will carry that knowledge and the light of Christ with them on their next adventure.

Enjoy the summer sun and relaxation that comes from an easier routine. Please remember to read to or with your child, yes even the big kids. All of our research shows the importance of reading for at least twenty minutes per day and shared reading. Remember if your child sees that you make reading a priority they will model what they learn.

*Keep close to God, enjoy His gifts and be thankful for we are all blessed to be where we are and surrounded by love.
May God bless you all with His love and peace.*
