

December 10, 2020

Dear Parents,

This Advent Season will mark the thirtieth year that our school will join with St. Peter's Parish to help families have a brighter Christmas.

Like everything else this year, helping families in need looks different. St. Peter's Parish will supply clothing and toys to 300 children ages newborn to 14. In the past we have received angels from their giving tree. This year there is no transfer of paper. If you would like to help our suggestion is to purchase a new outfit or toy that would be appropriate for your child/children. Please send the unwrapped gift to school by Thursday December 17 and we will deliver to St. Peter's Church on Friday, December 18.

It is important that all donations are received by Thursday, December 17. Gifts need to be delivered on Friday, December 18. Please know that each donation is gratefully appreciated.

Thank you for all that you do in support of our school and St. Peter's Parish. May God bless you and your family as you help the less fortunate during this holiday season.

Yours in Christ's Peace and love,
Faculty and Staff
St. Peter Central Catholic School
