NO SCHOOL-Winter Break 2/15-19
Classes Resume 2/22

Attention Parents in Grades K-7: Every family received a packet yesterday with information regarding re-registration for the 2021-2022 school year. Please read all material carefully there are some changes. Please note the deadline for Financial Aid is Friday, March 12. If you have any questions please call the office.

Attention Pre-K Parents: It's time to register your child for Kindergarten! An application and information will go home today. Our Pre-K children are given enrollment opportunities first for our Kindergarten. Please note the deadline for Financial Aid is Friday, March 12. If you have any questions regarding your child's readiness for Kindergarten please contact Mrs. Coughlin.

Calendar Drive: Our Calendar Drive will start on March 1 and go through the month of March. Every family is asked to sell 10 Calendars. The Lucky \$500 winner will be picked on March 17! More information is enclosed with your calendars.

Although the morning drop off is going well there is growing concern about the drop off in the upper lot for Kindergarten and Grade 1 students. Please adhere to the procedure. If you drive up to the top and wait your turn your child should exit your car and walk up the side of the parking lot to the door. Some children are exiting their vehicle and crossing in front or behind other vehicles to get to the door. I do not have to remind you I'm sure but some vehicles are very large and it is not possible to see a little one walking close to the vehicle. Thank you for your attention to this matter.

Thank you for continued support: A parent of an Eighth Grader just ran three separate pools for the Super Bowl and sent us a check for \$3,000! Thank you!

Yesterday our faculty and staff were treated to a delicious lunch as part of the Feeding the Front-Line Workers Program. Thank you also to the Worcester Railers, Assumption University and the Mill Restaurant for making it happen.

If you are dismissing your child early from school please send a note to your child's teacher. The office is asking that you call the school when you arrive and we will meet you with your child at the side door (Ripley Street parking lot) please proceed to the side door (by flag pole). We are asking that you use this system for appointments only not as a frequent method of dismissal.

Thank you for your cooperation with this matter.
