Although the morning drop off is going well, there is growing concern about the drop off in the upper lot for Kindergarten and Grade 1 students. Please adhere to the procedure. If you drive up to the top and wait your turn, your child should exit your car and walk up the side of the parking lot to the door. Some children are exiting their vehicle and crossing in front or behind other vehicles to get to the door. I do not have to remind you I'm sure but some vehicles are very large and it is not possible to see a little one walking close to the vehicle. Thank you for your attention to this matter.
